

Introduction

Amass Technology may gather and use information about individuals to provide products and services and to enable certain functions on this website.

We may also monitor or collect information to gain analytics on how visitors use the website.

The following information may be collected if you contact us directly

- Name
- Contact Information, such as email address
- Website usage
- Information sent to us via customer enquiries

How we use this information

By Amass Technology extracting this data, we can get a better understanding of how you are using our services. It allows us to make improvements based on website usage.

We may use this data:

- For our own internal records
- To improve the website and services we provide to our customers
- To return messages following specific enquires
- To send promotional emails about our services which are relevant to you

General data protection regulation

Amass Technology will comply with all statutory requirements of Data Protection law including the requirements of General Data Protection Regulations (GDPR). Any personal or sensitive information on an individual which the Company holds is covered by legislations and is in line with the Data Protection Act 1998

Amass Technology will always ensure that your information is secure. To prevent unauthorized disclosure or access to your information, we have implemented strong physical and electronic security safety.

Controlling your information

By providing your details on our website you are agreeing that we can use your information based on the above points.

If you wish for your data to be removed you can email us directly at info@amass-technology.com where all records will be deleted.

We will never lease or sell your information to third parties without written consent.

Website Cookies

How we use cookies – we may use cookies to:

- Analyze our web traffic using an analytics package. This data helps us improve the website regularly.
- To recognize when you return to our website. This enables us to understand how many people return after initial visit.
- Identify how many people reach out to us after visiting the website

NOTE: cookies do not allow us to access your computer or any information about you, other than the information you choose to share with us.

Controlling cookies

You can adjust the settings on your web browser to specify how our website uses cookies.

NOTE: if you choose to disable certain cookies, it may affect the appearance of the website and its functionalities.
